9. brownish/red
10. blue
11. gray
12. tan (light brown)

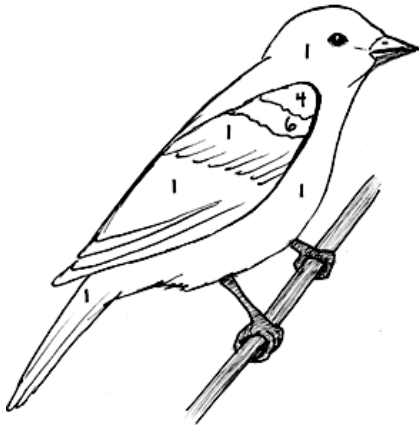

Kingfisher

A medium sized bird found in the trees or on poles near the water's edge. A kingfisher's "rattling" call is often heard before the bird is seen.

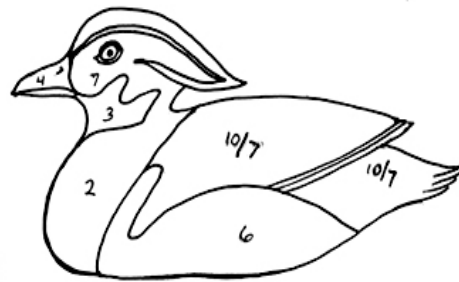

Great Blue Heron

A tall wading bird (4 ft). Found in ponds and fields.

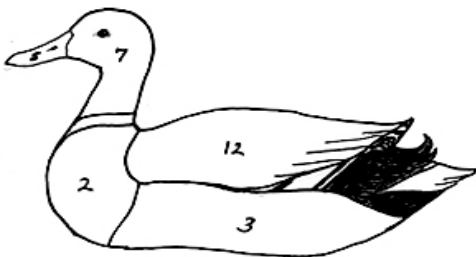

Red-wing Blackbird

The "voice of the marsh". Its call is "okalee-okalee". Often seen on cattails.

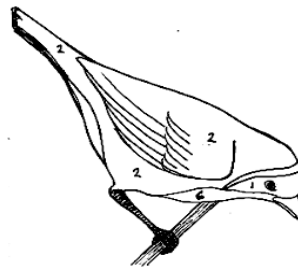

Wood Duck

A "shy" duck. Colorful that has a crest on its head. It is often seen in trees.

Mallard Duck

Our most common duck. When feeding, it "tips up", so that only its rump is visible.

Yellowthroat

A small yellow warbler with a black mask. It can be found in bushes near the water's edge. Its call is "wichety, wichety, wichety".
