## What are the Most Common Trees in Your Neighborhood?

Identify as many trees as you can by their bark. Write the name of the tree at the bottom of the bar graph. For each tree you identify add a bar to the graph.

| 14 |  |  |  |  |  |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- |
